summer program

Summer Program Social & Expressive Language Building Skills

A 4-week program with a focus on enhancing social skills, receptive/expressive language skills, speech clarity and motor speech skills through fun-filled activities such as games, arts & crafts, role play, and other techniques. Program is led by a licensed Speech Language Pathologist and team of educators.

Designed for Children

- 3-11 years old
- With a speech/language delay, underdeveloped social language skills, auditory processing challenges, articulation and motor speech difficulties.

Minimum Requirements

- Children must have functional verbal communication (approximation or single words) or effectively use AAC device
- Be able to participate and follow simple directions in a group setting
- Exhibit minimal behavior challenges (sensory room onsite as needed)

Group Meets

- M-TH 9am-12noon or 1pm-4pm
- Children are grouped by age and developmental level
- Small group limited to 6 children

Registration

- Cost \$175/per week (5% discount with multiple weeks)
- Session begins June 3, 2019 Space Limited! Register online or in person
- We reserve the right to cancel session if not enough adequate number of participants
